

Ensure the right solution at the right price
with a comprehensive **audiology program**

Preferred Medical is a high touch workers' compensation pharmacy and ancillary services provider with a primary focus on doing the right thing.

Our tailored, integrated approach to addressing hearing loss resulting from an occupational injury positively impacts clinical and financial outcomes.

WHY PREFERRED

Cost Containment

- Low, consistent pricing anywhere in the US
- All brands, models and manufacturers are available
- Comprehensive warranty (5 years), loss & damage (3 years) coverage
- Free batteries for the life of our devices
- Retrospective bill review available for out-of-network providers

Clinical Oversight

- 6,000+ network Audiologists covering all 50 states
- We recommend the most medically appropriate, not necessarily the most expensive, device
- Audiology peer reviews for medical necessity available
- ENT physical evaluations for causation & necessity available

Ease of Process

- We assume the administrative burden on your behalf
- You will be assigned a dedicated care coordinator
- Processing starts on the day a referral is received
